1. Create a New Account

- i. Open MyMenu Application.
- ii. Select "Sign Up" button

MyMenu

The image shows a login interface with a teal header and a white body. At the top is a large teal button labeled "MyMenu". Below it is a teal header bar with the text "MyMenu" in white. The main area has a light gray background. It contains two input fields: a top one labeled "Email Address / User Name" and a bottom one labeled "Password", both with placeholder text "Enter Email" and "Enter Password". Below the inputs are three teal buttons with white text: "Login", "Sign up", and "Guest".

Automatically Use My Location To Show Nearby Restaurants

[Edit Page](#)[Page History](#)[Clone URL](#)

*This will only happen on first login or account creation on a new device!!!

** To replicate this test delete the application from the device and re-install it.

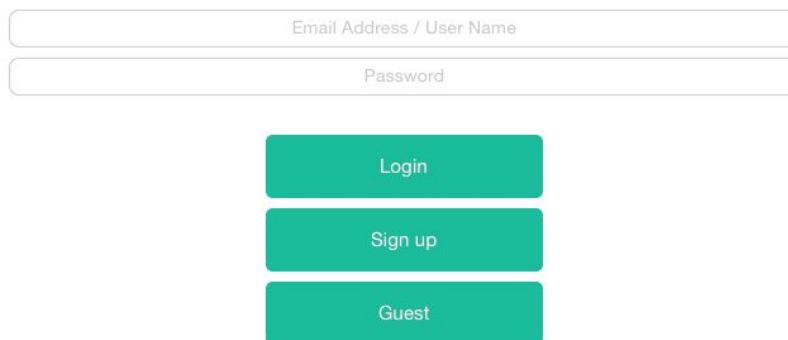

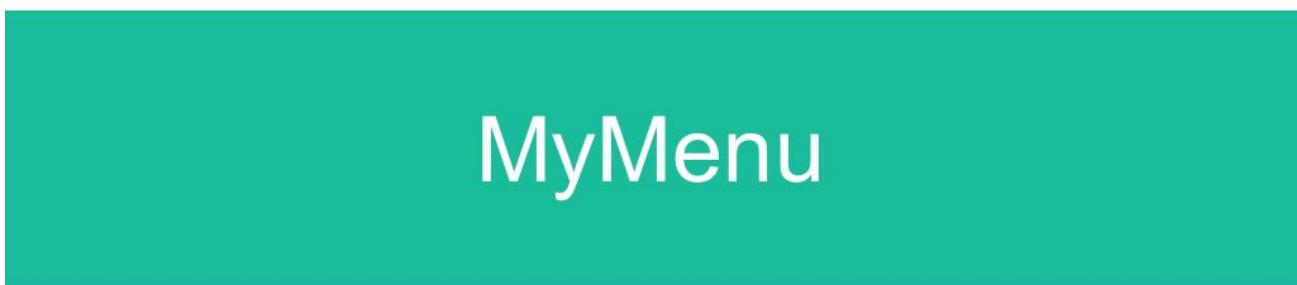

*** It also will not use your current location unless you are using an actual device, a simulator will allow you to enter coordinates that will simulate that spot as your location but will not actually use your current location on its own.

We will show the steps for when a user first logs in with an existing account. It is indicated below where the process is the same.

1. Use My Location To Show Nearby Restaurants

i. Open the application

Carrier 1:00 PM 100%

ii. Enter your username and password (in this case we used bieber3@ualberta.ca and password77, respectively)

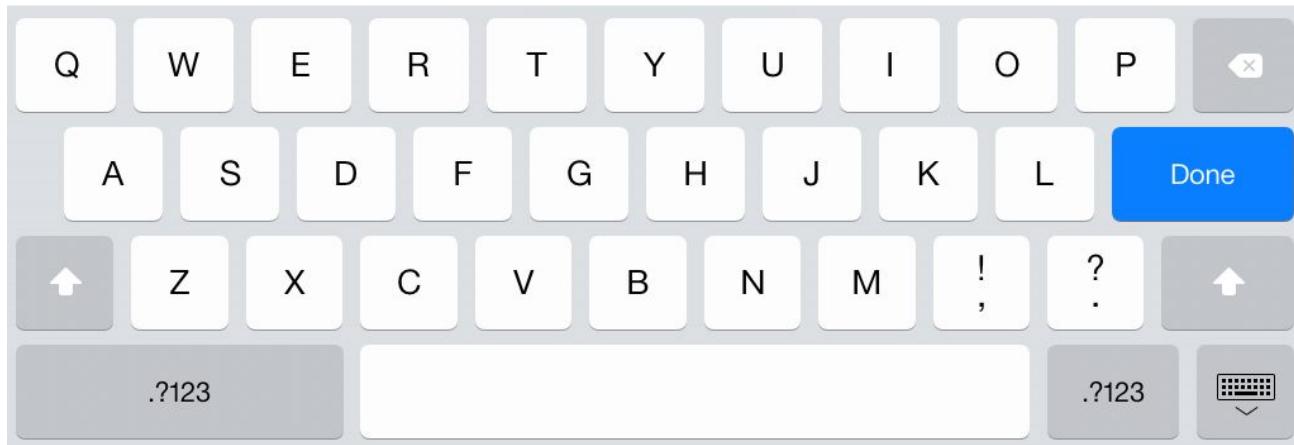

bieber3@ualberta.ca

••••••••

Login

Sign up

Guest

This is where it will be the same

3. You will be prompted with a message box asking if you would like the application to use your current location. Click OK.

Restaurants Specials Restrictions Profile

The screenshot shows a mobile application interface for a food delivery service. On the left, a sidebar lists nearby restaurants with their names, ratings, cuisines, addresses, and distances. The main content area displays a detailed view of a specific item: a Double Bacon BBQ Burger. The item has a rating of 6.3. A description states: "100% Canadian beef. Our half-pound prime rib beef burger is loaded with bacon and smothered in our Jack Daniel's® BBQ sauce." To the right of the description is a photograph of the burger served with fries. Below the image are sharing and eating history buttons. Further down, there's a "Modifications" section with placeholder text. At the bottom, there's a "Submit Rating" section with a text input field, a "Rate This Item" button, and "Clear" and "Submit" buttons. A navigation bar at the very bottom includes icons for Restaurants, Specials, Restrictions, and Profile.

Restaurants Specials Restrictions Profile

The image shows a mobile application interface for a food delivery service. On the left, a sidebar titled 'Restaurants' lists several local establishments with their names, ratings, categories, distances, and addresses. On the right, the main screen displays a detailed view of 'Boston Pizza (Whyte Ave)'. This view includes the restaurant's logo, a brief description ('A Sports Bar and a Restaurant, Boston Pizza is two great concepts under one roof!'), and its operating hours, address, and phone number. Below this, there are tabs for 'All Categories', 'Dinner', 'Dessert', 'Appetizer', and 'Reviews'. Under the 'All Categories' tab, three menu items are listed with their names, ratings, descriptions, and prices: 'BP's Prime Rib Burger' (9.0), 'Pesto Chicken Burger' (4.9), and 'Boston Brute' (4.3). Each menu item has a small thumbnail image of the dish. At the bottom of the screen, there are navigation icons for 'Restaurants', 'Specials', 'Restrictions', and 'Profile'.

- v. See the Menu Item
- vi. Click I Have Not Eaten This
