User Stories:

1) As a User, I want to be able to create a new account.

2) As a User, I want to be able to log in using an existing account.

3) As a User, I want to be able to use the application without making an account; consequently, the restrictions tab will not be available to me.

4) As a User, I want to add a location to my profile to use as a fallback (in case my location is turned off or unavailable).

5) As a User, I want to be able to edit my personal information, change my password etc.

6) As a User, when logged in I want to be able to select dietary restrictions. I want to be able to edit these restrictions and have the application remember these restrictions.

7) As a User, I want to see restaurant locations on a map.

8) As a User, I want to see restaurant locations in a list.

9) As a User, I want to be able to find restaurants near me.

10) As a User, I want to be able to search restaurants by name.

11) As a User, I want to be able to sort through the restaurants by proximity, rating, cuisine, etc.

12) As a User, I want to view restaurant specials by food, drinks or desserts.

13) As a User, I want to first be presented with the foods that I can eat based on my restrictions.

14) As a User, I want to be able to see modifications (substitutions) to food that would allow me to eat it.

15) As a User, I want to post a review about a specific restaurant dish. This review will also contain a numerical rating between 1 - 10.

16) As a User, I want to be able to view the reviews that myself and other users have posted about various restaurant dishes.

17) As a User, I want to share menu items via Social Media.

18) As a User, I want the app to automatically use my location to show nearby restaurants.

19) As a User, I want to be presented with the option to contact a restaurant.

20) As a user, I want to see the top liked reviews for a given menu item.

21) As a user, I want to see the top liked menu item reviews for a given restaurant.
